Gen i Revolution Contest – Results are in!

[more=>](#)

We received incredible submissions and special thanks to all entrants—teachers AND students—for their participation in Gen i Revolution Contest – Search for the Sweet 16th.

The winning entry of the CEE Choice Contest was created by a team of five students of M.T. Blount High School in Eight Mile, AL. Allen Merryman, a Career Tech Teacher at M.T. Blount, served as the team's sponsor. The team's Mission topic is the importance of insurance.

The Popular Vote Contest was won by a five-student team from Peak to Peak Charter School in Lafayette, CO. Peak to Peak math teacher, Bobby Letter, was the team's sponsor. The team's video, Using Credit, demonstrated their Mission topic of properly using forms of credit.

In case you missed it last month, we are re-running the article: **This car is going to cost me how much money?**

Teach students the cost-benefit analysis of how much your dream vehicle is going to cost as well as to run and finance it. Students can pick from an array of different options as well as tailor the prices to fit costs in your region. When you get to the end there will be a breakdown of the vehicle you just bought and give you prices of gas/insurance per month as well as your car payment. Explore the thousands of different vehicle combinations you can get with this [FREE app](#) available on Google Play.
