

**Economics Challenge State Winners Advance to the  
National Economics Challenge<sup>SM</sup> Semi-Final**

**State Coordinator** will announce State winners and register teams with **The Council for Economic Education (CEE)** on by April 7 or within 24 hours after your state competition.

**Teacher/Team Coach of State Champion team** will:

**Submit Registration form online and signed copies to your [state coordinator](#) by April 7 or 24 hours after your state competition.**

- Fill out the [2016 NEC State Winner Registration-Coach form](#) online, print before submitting, send a signed copy to your State Coordinator.
- Ask students to fill out the [2016 NEC State Winner Student Registration Form](#) online, print before submitting, have parents sign a copy and return to the teacher, who will in turn submit all four student forms to the State Coordinator.

**Coordinate with their school principal:**

- To proctor, or identify a proctor (a teacher or school administrator other than teacher/team coach) to administer the test, and to affirm in writing that test conditions were conducive to ensuring fair results for the National Semi-Finals.
- To secure a classroom or room at the winning teams' school for the National Economics Challenge<sup>SM</sup> Semi-Finals which will take place at the winning team's school on April 26, 2016 (or spring break date of 4/21/16) within the time frame of 2 - 5 pm eastern

time.:= **Coordinate with the students:**

- Provide students with the time and location of the National Semi-Final
- Ask students to bring a #2 pencil

CEE will mail the National Economics Challenge<sup>SM</sup> Semi-Final materials by FedEx-overnight to the winning team's **School Principal**. Included in the package will be Proctor Form, four sets of the four rounds of National Semi-Finals testing, and scantron sheets for every student.

**School Principal** will proctor or identify, and appoint a proctor (a teacher other than the team's teacher/coach, or school administrator) for the National Economics Challenge<sup>SM</sup> Semi-Final, and give the testing materials to **Proctor**. The test time limit is one hour and twenty minutes, and must be conducted within 2 - 5 pm eastern time.

**Proctor** selected by **School Principal** (not the teams' Teacher/Team Coach) will:

- administer the National Semi-Final test to students on Tuesday April 26th within the time frame of 2 - 5 pm eastern time, following all instructions in the proctor instructions (spring break test date of 4/21/16).
- sign the proctor sheet, and have the principal sign - to affirm in writing that the National Semi-Final test conditions were conducive to ensuring fair results; and
- seal and return all testing materials (including any scrap paper) to CEE using the pre-paid and pre-addressed envelope (FedEx), and shipping by the close of business on test date please.

CEE will score the National Economics Challenge<sup>SM</sup> Semi-Final tests and Team Ranking will be posted on CEE's website [www.councilforeconed.org/econchallenge](http://www.councilforeconed.org/econchallenge). The top four scoring semi-finalist David Ricardo and Adam Smith teams will be invited to advance to the National Economics Challenge<sup>SM</sup> Finals. Teams (students and coach) will receive an all-expenses paid trip to New York City to compete at the National level the weekend of May 20-23, 2016. CEE will coordinate all arrangements for the top four teams coming New York to compete at the National Economics Challenge<sup>SM</sup> Finals. Questions? Contact CEE by email: [economicschallenge@councilforeconed.org](mailto:economicschallenge@councilforeconed.org).
