How it Works

Teams register

Teachers enroll team(s) of 3- 4 high school students from the same school. Multiple teams allowed.

Teams compete within their state

Compete to win your state competition for a chance to advance to the National Semi-Finals.

National Semi-Finals: May 3-20, 2021

Teams answer multiple-choice questions on macroeconomics, microeconomics, and international & current events.

National Finals: May 22-24, 2021

Teams analyze an economic issue and present their solution. Top teams engage in the Finals Quiz Bowl where they face-off answering questions to claim the National Title.

Two divisions based on experience level

David Ricardo for first-time competitors who have taken no more than one economics course.

Adam Smith for returning competitors, AP, International Baccalaureate, and honors students.
